FROM THE PRINCIPAL

Welcome back to all Hampton students and families for the last term of the school year. Term 4 is vitally important as the next few weeks will determine grades achieved in all year groups. It is important that all students take the opportunity this term to do their best by attending, handing in all assessments and completing their work in class to the best of their ability.

Recently we have had some parents wandering through the school grounds to speak with their child or a staff member. Could I remind all parents that, irrespective of the issue, you must sign in at the front office and alert us to who you need to see. I don’t want to stop any parent from coming to the school but I also need to ensure processes are followed as part of our management of who comes onto site and the safety of our students.

We have just witnessed the final Year 12 Assembly and Presentation Evening. Students are now preparing for exams, work and a fair bit of relaxing I would imagine. Thanks to the Year 12 parents who attended the assembly and the Presentation Evening and thanks for your efforts and support of the school over the past five years.

It is an exciting time in the school at the moment and I am looking forward to what the students achieve over the next few weeks.

DVET

Hampton boys Marcus, Cameron, Corey and Jesse competed in the Polytechnic West Worldskills Heavy Fabrication competition. Their lecturer, Joe, entered the boys as they are the top in their group demonstrating outstanding skills in this trade. Joe described their work as meticulous, neat and very high order. He believes Marcus may win. Students had one day to make from scratch a G clamp, cut, moulded, weld and polish. Joe also described our boys as excellent students with impeccable manners. Results advised soon!

CAR PARKS

School car parks are not available for use by parents as a pick up/drop off zone due to the issues of pedestrian safety and traffic congestion.

Student parking in school grounds is at the discretion of the Principal.

VACSWIM

Enrolments for December/January programs are now open,. It is important for every child to learn to swim and develop essential water safety skills. Vacswim’s school holiday swimming programs are conducted by qualified instructors who teach children the skills to be confident swimmers and safe in the water. This year there has been a small price increase from $10.00 per enrolment to $12.50 per enrolment (family enrolment for three or more children living at the same address is now $34.50). For further information and online enrolments visit education.wa.edu.au/swimming.
