

## [Follow the Dream Logo](#) [Hampton SHS & Kiara College](#)

*This Logo shows Hampton Senior High School and Kiara College. Both schools are represented by the colours of their school uniforms.*

*They are connected up by an ancestral pathway. The pathway in which our Aboriginal Ancestors walked over 60,000 years ago, whether it's walking the traditional lands, hunting and gathering food or for ceremonies. The land in which the schools both reside on is the Mooro Yellogona territory. This is a very large area which also runs into Ellenbrook and Wanneroo, bordering onto Boorloo (Perth city) and Mandoon (Guildford). These boundaries are shown in the logo. The spiky arc circles are the symbols for footprints, which represent the students walking from the schools following the old pathways. The semi-circles and the large circles represent the gathering of students and teachers.*

*The kangaroo (Yongka) and emu (Weitj) tracks are shown in the logo, they represent our traditional foods as well as the Australian-coat-of-arms...The red dots on the outside, represent the Darling Range and the blue lines with the white dots represent the rivers.*
