

**HAMPTON**  
Senior High School

## YEAR 9 ELECTIVE COURSE SELECTION 2023

Please read instructions carefully, complete your course selections over the page, sign the section below and hand this form in to Admin Services by **Monday September 19, 2022.**

English, HASS, Maths, Science, Health and (General) Physical Education are compulsory courses in Year 9. All courses in Technologies and The Arts are electives, with further electives from the Health & Phys Ed and Science areas.

Descriptions for each course can be found in the [Year 9 Handbook 2023](#). A copy of the handbook is located on the Hampton SHS website under the tab Parent Information → Course Selections → Year 9 Course Selection and Booklists. (*Booklists will be available later in the year*)

Additional information regarding the Learning Area pathways required for Year 11, 12, Post School – University and Post School – Further training or employment is also available via the website. <https://www.hampton.wa.edu.au/course-selections/>

Select THREE (3) courses and TWO (2) reserve courses (R1, R2), in preference order, for each semester.

**Note: Reserve courses are required should one of your other selections not run due to insufficient numbers or the course is full**

✓	which specialist course you are in	Step 1	Step 2
	Gifted and Talented Dance (\$100)	Choose TWO electives and TWO reserves each semester	
	Specialist Digital Technologies <i>Robotics (\$50)</i> <i>Programming (\$50)</i>	Choose <i>Robotics</i> and <i>Programming</i> as your number one choice each semester	Choose TWO more electives and TWO reserves each semester
