- “Assessments”: we will be moving assessment information and results to SEQTA in future phases of our roll out. Currently, you will still access this information on Connect.
- “Courses”: you can find course information, documents and daily lessons.
- “Direct Messages”: messages to and from teachers, year coordinators, etc.
- “Timetable”: view your child’s timetable.

SEQTA Engage also has a mobile app:

1) Go to the App Store on your mobile.	
2) Search for SEQTA Engage.	
3) Download the app.	
4) Follow the prompts until you have the option to select “Set up manually”.	
5) Enter the URL given on the previous page.	
6) Sign in using your login details.	
7) It is recommended that you enable notifications in the settings section so that you are notified when the school sends communication.
