Senior High School

YEAR 10 ELECTIVE COURSE SELECTION 2024

Please read instructions carefully, complete your course selections over the page, sign the section below and hand this form in to Admin Services by **4pm Friday August 4, 2023.**

English, HASS, Maths, Science, Health and (General) Physical Education are compulsory courses in Year 10. All courses in Technologies and The Arts are electives, with further electives from the Health & Phys Ed and Science areas.

Descriptions for each course can be found in the [Year 10 Handbook 2024](#). A copy of the handbook is located on the Hampton SHS website under the tab Parent Information → Course Selections → Year 10 Course Selection and Booklists. (*Booklists will be available later in the year*)

Additional information regarding the Learning Area pathways required for Year 11, 12, Post School – University and Post School – Further training or employment is also available via the website.

<https://www.hampton.wa.edu.au/course-selections/>

Select THREE (3) courses and TWO (2) reserve courses (R1, R2), in preference order, for each semester.

Note: Reserve courses are required should one of your other selections not run due to insufficient numbers or the course is full

Please confirm the following:

☐ I understand a 50% course confirmation charge is required by **Friday November 24, 2023.**
